

# Safety precautions connected to the COVID-19 pandemic:

- 1) Please wear medical face protection everywhere inside the building, except for the lecture hall. Inside the lecture hall, masks can be taken off
- 2) Please keep 1.5 m distance to other participants if possible
- 3) Please make use of hand disinfection fluid and sanitary facilities (in the foyer, next to the entrance of the lecture hall)
- 4) Free COVID-19 testing (rapid antigen test) is offered in the ground floor of building S06 over the full duration of the meeting (see below)
- 5) Please keep your name tag visible as it indicates the fulfillment of your 3G status (vaccinated or recovered or tested)

Thank you for cooperating!
